

Tasmania's international reputation for outstanding seafood  
& premium wines is due, in no small measure,  
to two pioneering migrant families,  
the Mures & the Alcorsos.

Their collaboration, which dates back to the 1970s,  
inspired a revolution in sustainable,  
quality product management & presentation.

Even today, the two families remain committed to the  
shared vision that first brought them together –  
to be uncompromising in providing & maintaining unequalled quality.

Julian Alcorso is proud to personally craft  
the George Mure range of wines & Dock Cider.

Mures Upper Deck offers a premium wine list which was crowned  
Tasmanian Wine List of the Year People's Choice at the 2014 THA &  
Wine Tasmania Awards For Excellence.

Dock Cider was honoured with a bronze medal at the  
Cider Australia 2014 Australian Cider Awards.
